Subject: MGCA Snow Alert!

Snow Alert

A Winter Weather Advisory is in effect for our area, calling for periods of snow from Friday into Saturday.

To facilitate treatment and plowing, all vehicles must be removed from the Mt. Gretna United Methodist Church parking lot.

We ask that all Members, guests, and tenants move their vehicles out of the Mt. Gretna United Methodist Church parking lot by tonight, Friday, February 16th, by midnight. The parking lot will reopen when all snow has ceased falling and the entire lot is cleared of snow on Saturday, February 17th.

Alternate parking is available in the Carter and Kauffman Avenue lots.

Precipitation and low temperatures may create icy, slippery conditions. Campmeeting streets and walkways will be cleared and treated (if necessary) once the snow has ended, but please use extra caution when walking and driving in the community. Note: Efforts will be made by the Borough and Campmeeting crews to clear and maintain primary streets for driving and commuting purposes throughout the snow event.

Nate Godfrey, MGCA Superintendent
